

## **Timo Seidl**

Timo Seidl is a post-doc at the University of Vienna's Centre for European Integration Research. He holds a PhD from the European University Institute with a thesis on the comparative political economy of digital capitalism. In his research, Timo looks at how ideas and institutions as well as politics and power shape the digital transformation of economies and societies, with a particular focus on the role of the European Union. You can find out more about Timo's work at <https://www.timoseidl.com>
