

Kristina Stoeckl

Kristina Stoeckl is a full professor of sociology at LUISS University in Rome. She previously held a professorship at the University of Innsbruck (2019–2023) and studied comparative literature, international relations and Russian in Innsbruck and Budapest. With a PhD from the European University Institute, she directed the ERC-funded project “Postsecular Conflicts” (2015–2022). Her research spans sociology of religion, political sociology, and state-religion relations. Her latest publications include *The Global Fight Against LGBTI Rights* (2024), co-authored with Phillip Ayoub and *The Moralists International. Russia in the Global Culture Wars* (2022), co-authored with Dmitry Uzlaner.
