Selection procedures

Final selection of the scholar will be formulated by assessing each candidate on the basis of the following evaluation criteria:

- Innovativeness of the arguments dealt with in the dissertation;
- Clear reference to one or more of the key themes of EU-IOSAC in the dissertation;
- Interdisciplinarity of the dissertation;
- Proposed research methodology;

The Evaluation Committee shall be composed of:

- the Scientific Coordinator of the project;
- a project team component;
- an internal member.

The Evaluation Committee will verify the formal regularity of the documents and will communicate the results by publishing the final outcome of the selection procedure on the website: <https://leap.luiss.it/> within the end of May 2025. The Evaluation Committee bears full responsibility of the selection procedure and its result. The awarded candidate will be informed using the e-mail contact indicated in the application. A reserve list of candidates will also be prepared. The awarded candidate must send his/her formal acceptance and other requested documents within 5 working-day from the date of the received communication. Failing to do so, the Evaluation Committee will move to the first candidate of the reserve list.

The successful candidate will be able to use € 1.500,00 of their research, travel and accommodation grant by August 31st 2025. The remaining amount will be reimbursed upon presentation of the final dissertation as approved by the appointed supervisor, as well as a detailed administrative report to present to LEAP by October 31st 2025. Should the candidate fail to complete the final dissertation by October 31st 2025, he/she will be asked to reimburse Luiss Guido Carli of all funds already spent.
